MUTH 1400: Roman Numeral Description: due at 11:00 on Thursday, September 27

Here are the opening 6 measures of Bac'sh Chorale no. 145, "Warum betruebst du dich." For Thursday, September 27 do a thorough Roman Numeral Description of this music (-5 per roman numeral). To be correct, the Roman Numeral must be perfect (quality and inversion).

The NCTs have been marked for you. Write the key of the piece (-5 for wrong key); show resolution of tendency tones with arrows (-5 for each one missed). There is a secondary tonal level in the subdominant; describe the roman numerals of these sonorities as if they were in the key of the subdominant.

Mark the cadence at the fermata (-5 points for this one if wrong).

(Grading: begin with perfect = 100). A = 90-100; B = 80-90; C = 70-80; D = 60-70; F = lower than 60.
