

the dominant complex: an expansion
of the simple dominant at a cadence.

Simple version:

one of the voices sings
a 6th above the bass;
that same voice then
sings a 5th above the
bass

8 7
6 5
4 3

one of the voices sings
an 8ve above the bass;
that same voice then
sings a 7th above the
bass

one of the voices sings
a fourth above the bass;
that same voice then
sings a 3rd above the
bass.

8 7
6 5
