C minor:

MUTH 1400 Fall 2008

Realize the figured bass above; add a separate stream of roman numerals. There are 75 points: 1 point per note (36 points total) two points per roman numeral (24 points total), five points per tendency tone (15 points total). Show resolution of tendency tone with arrows; -10 points per parallel perfect octave or perfect fifth.

The assignment is due at 11:00 on Thursday, September 18.
