

Heinrich Schütz (1585-1672)

Symphoniae sacrae III (1650)

No. 18. Saul, was verfolgst du mich? (SWV 415)

Saul, was verfolgst du mich?

Es wird dir schwer werden,
wider den Stachel zu löcken.

Saul, why do you persecute me?

It will become difficult for you
to kick against the thorns.
