

Determine which of these pitch-class sets are related by T or I and if that relation (should it exist) map onto pitch space as well as pitch-class space?

I II III IV V

The image shows a single staff of music with five groups of notes, each labeled with a Roman numeral from I to V. The notes are as follows:

- I:** G4, A4, Bb4
- II:** G4, A4, Bb4
- III:** G4, A#4, B4
- IV:** G4, Ab4, Bb4
- V:** G4, Ab4, Bb4
