For each question, write a short musical illustration and one clear sentence in the space below the staves.

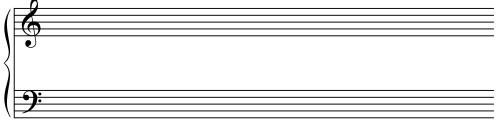

1) Describe the sonority in m. 32 of Schubert's "Die Stadt"; what does Schubert reveal about the nature of this chord?

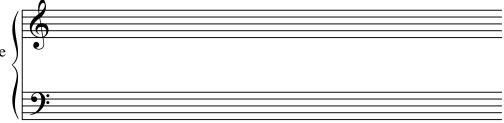

2) Describe the key in mm. 47-50 of Schubert's "Doppelgaenger".What is the key's relation to B minor?

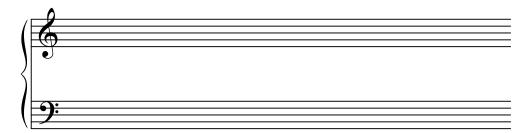

4) Describe the last chord of measure4 of Schumann's "Ich grolle nicht"

5) Show how Beethoven modulates from tonic C minor to E-flat in the attached mystery progression. Measures 52 to 63.

NOTE: The Horn is in E-flat; it sounds a major sixth lower than written (think a minor third higher, if you wish).
